

Quality Sustenance after NAAC

College is awarded A Grade accreditation post PEAR Team visit on 15th September 2015. This is a matter of proud privilege for the college. Principal Dr. Usha Shrivastava expressed her happiness for the success and thanked college staff and students for the success as Chairperson IQAC. However she reiterated the need to keep the wheel of development rolling and said that this A Grade brings in new responsibilities and we need to focus now on excellence enhancement as well as excellence sustenance parameters. Two day workshop was organized on quality sustenance after NAAC. All the 7 criterion were discussed and a model was proposed to be developed for achieving excellence in 5 years.

Guest Speakers were

1. Dr. Usha Shrivastava -Additional Director Higher Education Ujjain
2. Dr. B.K.Mehta -Professor Chemistry School of Studies in Chemistry Vikram University Ujjain
3. Dr. M.S. Parihar - Professor Zoology School of Studies in Zoology Vikram University
