

**Department of Chemistry, Govt. Madhav Science PG College, Ujjain (MP)**

**M. Sc. IV Sem / Field Projects / Internships under taken during the year 2017-18**

| <b>Sr. No.</b> | <b>Name of Student</b> | <b>Class</b>  | <b>Project Name/ Title</b>                                              | <b>Concerned Subject</b> | <b>Name of Project Guide</b> |
|----------------|------------------------|---------------|-------------------------------------------------------------------------|--------------------------|------------------------------|
| 01             | Ankita Pal             | M. Sc. IV Sem | Lab Organisation                                                        | Chemistry                | Dr. Ajay Chaturvedi          |
| 02             | Babita Lalawat         | M. Sc. IV Sem | Green chemistry                                                         | Chemistry                | Dr. Brijesh Pare             |
| 03             | Bharti Dabi            | M. Sc. IV Sem | Green chemistry                                                         | Chemistry                | Dr. Brijesh Pare             |
| 04             | Durga Sharma           | M. Sc. IV Sem | HPLC                                                                    | Chemistry                | Dr. Arpan Bhardwaj           |
| 05             | Nikita Hanotiya        | M. Sc. IV Sem | HPLC                                                                    | Chemistry                | Dr. Arpan Bhardwaj           |
| 06             | Jeevan Choudhary       | M. Sc. IV Sem | A survey report on job opportunity in education institutions            | Chemistry                | Dr. M. K. Makkad             |
| 07             | Govind Nagar           | M. Sc. IV Sem | Facing Arsenic disaster                                                 | Chemistry                | Dr. M. K. Makkad             |
| 08             | Pooja Kumawat          | M. Sc. IV Sem | Antibiotics                                                             | Chemistry                | Dr. Shakuntala Pandey        |
| 09             | Rahul Vishvakarma      | M. Sc. IV Sem | Antibiotics                                                             | Chemistry                | Dr. Shakuntala Pandey        |
| 10             | Samiksha Soni          | M. Sc. IV Sem | Antibiotics                                                             | Chemistry                | Smt. Pratibha Namdeo         |
| 11             | Deeksha Panwar         | M. Sc. IV Sem | Antibiotics                                                             | Chemistry                | Smt. Pratibha Namdeo         |
| 12             | Seema Parihar          | M. Sc. IV Sem | Analysis of water samples in testing laboratory                         | Chemistry                | Dr. D. S. Raghuwanshi        |
| 13             | Sonam Dube             | M. Sc. IV Sem | Analysis of water samples in testing laboratory                         | Chemistry                | Dr. D. S. Raghuwanshi        |
| 14             | Vijay Vishvakarma      | M. Sc. IV Sem | Fluoride contamination in the drinking water of ujjain                  | Chemistry                | Dr. Kalpana Singh            |
| 15             | Yash Soni              | M. Sc. IV Sem | SPADNS method to determine the fluoride contamination in drinking water | Chemistry                | Dr. Kalpana Singh            |
| 16             | Surbhi Verma           | M. Sc. IV Sem | Introduction to drugs                                                   | Chemistry                | Dr. Rekha                    |

|    |              |               |                         |           |                     |
|----|--------------|---------------|-------------------------|-----------|---------------------|
|    |              |               |                         |           | Nagwanshi           |
| 17 | Madhu Gurjar | M. Sc. IV Sem | Introduction to drugs   | Chemistry | Dr. Rekha Nagwanshi |
| 18 | Harsh Gurjar | M. Sc. IV Sem | UV-Visible Spectroscopy | Chemistry | Dr. J. S. Solanki   |
| 19 | Varsha Lodhi | M. Sc. IV Sem | UV-Visible Spectroscopy | Chemistry | Dr. J. S. Solanki   |
