## About the College

### Madhav Science PG College, DST-FIST College, Ujjain (NAAC Accredited)

Madhav Science PG College was a part of the Madhav College established in 1892 up until it shifted to its present campus in 1969. The institution has excelled in the fields of **Teaching- Learning-Research**, with social outreach as its primary objective. Latest courses have been offered to its 2000 plus students at B.Sc., M.Sc., Ph.D., and PG Diploma programs.

Research and innovation is the strength of the college; a large number of faculty members work to produce sizeable and notable contributions in scientific journals with high impact factor.

In line with the need of time, state of art teaching technologies are being incorporated to enable the staff and students to excel, thus giving best results in examination with maximum number of merit positions in the University merit list.

## About Workshop

Bioinformatics, an amalgamation of genetic, biological, computational and biostatistical information, is a repository of new dimensions like drug discovery, proteome, genome etc. Bioinformatics is a subject which procures new developments, discoveries, computer tools, to accelerate the rate of research in the current thrust areas like medical-informatics, chemo-informatics. Bioinformatics plays a key role in establishing a link between the information encoded in genomic sequences to the observed behavior of living organisms. Bioinformatics tools are capable to recognize the hidden biological information. The aim of the workshop is to provide a forum for presenting new strategies, technologies and concepts on bioinformatics. Major goal for this three-day workshop is to provide a common platform for professionals, for the exchange of ideas and to develop new research avenues in the new emerging area.

## Workshop Theme

- Introduction to Bioinformatics
- Biological Database
- Sequences Alignment
- Phylogenetics Analysis
- Structural Bioinformatics

## Registration

The soft copy of the filled registration form should be sent to the following email address : [bioinformatics.mvm@gmail.com](mailto:bioinformatics.mvm@gmail.com)

### Registration Fee

Professors and Scientists	15 seats	INR 600/-
Research scholars	15 seats	INR 600/-
P.G. Student	10 seats	INR 500/-

### Note:

- Registration fee includes registration kit, tea & lunch for three days
- Registration will be confirmed only on receipt of registration fee

## Accommodation

Accommodation for outside delegates will be arranged in hotels on request at their own expenses. Request may be forwarded to the convener latest by 5<sup>th</sup> September 2015. Due to limited funds available, participants below 45 years of age only will be considered for travel assistance. Mode of travel is restricted to travel by bus or II class sleeper by shortest route only. The participants must produce tickets to avail reimbursement.

**Special: Participants will be eligible for getting duty leave as per Circular no. 3503/शिक्ष/सिा-विभागा/3/अ/10-विभा.रे. 14.10.1500**

## About Ujjain

Ujjain is the quiet and relatively small provincial town. Ujjain is situated about 60 km from Indore. Ujjain is one of the greatest cities of ancient India and one of the seven sacred cities of Hindus in India. It is also one of the four towns where the *KumbhMela* is held and plays as a host up to a million pilgrims who gather on the place every twelve years. Various people came here to bath in the *Shipra* River and worship at the temples on its banks. According to Hindu astronomers, it is also the city from where the Tropic of Cancer passes. This explains the presence of the observatory (*VedhaShala*) built by Raja Jai Singh of Jaipur in 1725. Even today, the Ephemeris tables (predicted positions of the planets) are published here.

## Mahakaleshwar Temple

The *Mahakaleshwar* Temple with its soaring *shikhar* (tower) dominates the skyline and life of Ujjain. This temple is dedicated to Lord Shiva and houses the lingam of Lord Shiva. This temple is also an important pilgrimage center for Hindus. This temple is one of the 12 *Jyotirlingas* in India, and believed to be *swayambhu* (born of itself), deriving its *Shakti* or power from within itself.

# REPORT ON WORKSHOP

## Basics of Bioinformatics

10-12 Sept. 2015.

A Three-day National Workshop on “**Basics of Bioinformatics**” was organized by the Department of Zoology, Bioinformatics and Microbiology on 10-12 Sept. 2015 Sponsored by UGC ,CRO Bhopal.

For the Inaugural Session Dr. R. Kannere Controller examination, Public Service Commission Indore served as a Chief Guest. An Internationally acclaimed faculty Dr. Kamalraj Pardasani Prof. & Head Bioinformatics Department MANIT Bhopal was our special Guest and the speaker. The session was presided over by the Dr. Usha Shrivastava Additional Director and Principal Govt. M.V.M. P.G.College, Ujjain.

Dr. Shehla Ishaque conducted the session. The welcome speech was given by the Convener of the workshop Dr. Shobha Shouche & the vote of thanks by Dr. Rekha Khanna. Nearly 75 Research scholars ,Professors & Students from different Institutes & Colleges of Jabalpur ,Jhansi,Jammu,Indore,Gujrat,Jhabua,Ujjain etc attended this workshop.

The key- note address was delivered by Dr. R. Kanner and the special lecture on Introduction of Bioinformatics & Biological databases was delivered by Dr. Kamal Raj Pardasani from MANIT Bhopal. The Second day Dr. Harish Vyas delivered a lecture on Phylogenetic Analysis followed by the common practical session. Our master trainers were Mr. Sachin Rahangadale , Mr. Ravikant Yadav and Mr. Harshad Sharma.

The second day session was conducted by Dr. Shubhangi Vaidya & the Welcome speech was given by Dr. Pinky Dwivedi. Dr. Ashish Shankar Sharma from Banasthali University who is a renowned person from the field of Bioinformatics was with us. He delivered his lecture on Sequence Alignment followed by the detailed practical session. The last & Third day workshop was a very memorable one, with Dr. Prakash Nemade from MANIT Bhopal. He delivered a lecture of on Structural Bioinformatics along with the detailed practical session. He has involved personally in the practical session as a result the participants were very happy.

The Valedictory function was graced by Dr. Diwakar Natu a well known Educationist who was our Chief Guest & the session was presided by Dr. Usha Shrivastava, Additional Director & Principal Govt. MVM. Ujjain. Certificates were distributed to the participants and the report of workshop was presented by the convener Dr. Shobha Shouche. Dr. Anurag Titov conducted the valedictory session & a vote of thanks was given by Dr. Pinky Dwivedi This workshop was very interactive & informative for all the participants.

Sh. Manu Shrivastava (IAS) is Principal Secretary and commissioner, Department of new and renewable energy with additional charge of MD, Energy Development Corporation, Officer of 1991 batch Mr. Manu Shrivastava is M.Tech (Computer Engg.)

Dr. B.N. Jagtap is Distinguished Scientist and Director of Chemistry Group, BARC. He is a well known expert in the field of lasers and their applications, has been cited as a game changer in a recent feature article in Livemint and the Wall street Journal

Dr. P. K. Gupta is Associate Director and Head Laser Biomedical Applications and Instrumentation Division RRCAT Indore. The division is engaged in developing laser-based instrumentation for supporting Related activities and meeting other requirements of the Department of Atomic Energy.

Dr. Deepak Chopra is Associate Professor of Chemistry, IISER Bhopal. Did his Ph.D. in Chemical Crystallography, from Indian Institute of Science, Bangalore under the supervision of Prof. T. N. Guru Row. He has published many papers in journals of high impact factor.

## Science Fest "From Photonics to Economic Impact of Light"

The International year of light and Light based Technologies is a global Initiative of UN General Assembly to highlight the importance of light and optical technologies in the lives of citizens of world and for the development of society. Year 2015 is also observed as the centenary year of Einstein's theory of Relativity. P.G. department of Chemistry and Pharmaceutical Chemistry of Govt. Madhav Science P.G. College Ujjain is organizing Science fest on 03<sup>rd</sup> and 04<sup>th</sup> of February 2016 to commemorate IYL. The science fest will address to the academic needs of all sections of science fraternity viz. Faculty, Research Scholars, P.G. Students, U.G. Students and Junior Students of 10+2 level through plethora of activities and events. Following competitive events will be organized for junior and senior category students

1. Theme based Short Film making
2. Theme based Power Point presentations
3. Poster Competition
4. Quiz competition

**Lecture Series** One of the major attractions of the science fest is Lecture series organized on 03<sup>rd</sup> and 04<sup>th</sup> February. The series will witness eminent scientists related to the field addressing the humble gathering. We the organizers invite and welcome you all to be the participants of these proud moments.

## National Consortium of Academicians & Scientists

### Faculty/Industry representatives/Research Scholar contributions

Individual contributions from Faculty/Industry representatives and research scholars related to the major theme of Lasers, Photonics, Economic Impact of Light and theory of relativity are also invited in the form of Posters/Articles/communications and research notes. After the analysis by the technical committee the selected contributions will be allowed to be presented in the parallel sessions during science fest. Contributors have to register for this event as follows.

Representatives from Industry	Rs.700/-
Faculty	Rs.700/-
Research scholars	Rs.500/-

Registration fees can be paid either by personal appearance in the college or through demand draft drawn in favor of Principal Govt. Madhav Science P.G. College Ujjain payable at Ujjain.

Last date for registration is 28<sup>th</sup> January

Last date for receiving individual contributions is 25<sup>th</sup> of January 2016

Word limit for contribution is maximum 1500 words including tables, pictures and graphs, typed in MS Word font Times new Roman 12 point with single margins and single space between lines.

Please send your contributions on email id

## About the College

Govt. Madhav Science P. G. College Ujjain is DST- FIST college and is accredited at 'A' grade (September 2015) through NAAC. This college was a part of the then Madhav College established in 1892 till it shifted to its present campus in 1969. Catering to the needs of science students coming from diverse academic and social backgrounds, college has excelled in the field of teaching and learning through its state of art infrastructure in the form of modern laboratories, e-library, smart class rooms and lush green eco friendly campus. College is producing meritorious students with their presence felt in cultural activities at national level. College has a rich heritage of extension activities and out reach programs through its efficient N.C.C. and N.S.S. units. Looking at the contributions of the college, Department of Higher Education M.P. has selected Institute as college with potential for excellence to sign MOU's with other institutes of National and International repute.

P.G. Department of Chemistry and Pharmaceutical Chemistry is running U.G. and P.G. courses in Chemistry and Pharmaceutical Chemistry and a P.G. Diploma course in Pharmaceutical Quality Control and Quality Assurance Management and is recognized as the research center by Vikram University Ujjain. Faculty are engaged in research and have sizeable and notable contributions in scientific journals with high impact factor.

## Program

### Day 01

Inauguration - February 03, 2016 11 00 hrs.

Chairperson- Dr. Mrs. Usha Shrivastava (Additional Director, Higher Education, Ujjain Division)

Chief Guest- Sh. Manu Shrivastava (IAS) (Principal Secretary Department of New and Renewable Energy Resources, Govt. of M.P. Bhopal)

Key Note address- Dr. B.N. Jagtap (BARC Mumbai)

Dr. P. K. Gupta (RRCAT Indore)

**SCIENCE FEST “ FROM PHOTONICS TO ECONOMIC IMPACT OF LIGHT”**

**03<sup>rd</sup> and 04<sup>th</sup> February 2016.**

Govt. Madhav Science P.G. College Ujjain celebrated two days Science Fest with focal theme “From Photonics to Economic Impact of Light” on 3<sup>rd</sup> and 4<sup>th</sup> of February 2016 to commemorate the *International Year of Light and Light Based Technologies*, under the joint organization of P.G. Department of Chemistry and Pharmaceutical Chemistry, Janabhadari Samiti and Internal Quality Assurance cell of the college. Dr. Kalpana V. Singh was the Coordinator of the programme, Dr. Ajay Chaturvedi acted as organizing secretary. Science Fest catered to the needs of all stakeholders of scientific fraternity and ensured participation of 505 participants through cocktail of events which included

- Competitions for students(P.G.,U.G. and 10+2 level) Total participation 319 college students 10+2 not included in the number. 20 students from 10+2 level participated
- National Consortium of Academicians and Scientists on “From Photonics to Economic Impact of Light” for Academia, Industry representatives and Research Scholars total participation excluding students 186
- Lecture Series on “ Photonics and Economic Impact of Light and Light Based Technologies”

### ***Inaugural Session***

Science fest was inaugurated on 3<sup>rd</sup> February 2016. Chief Guest of the ceremony was Mr. Manu Srivastava Principal Secretary Department of New and Renewable Energy Govt. of Madhya Pradesh. The session was chaired by Sh. Mohan Yadav M.L.A. Ujjain south, Dr. Usha Shreevastava Additional Director Higher Education Ujjain division Co-chaired the session. Dr. B.N. Jagtap Head Chemistry group BARC Mumbai and Dr. H.S. Patel from RRCAT Indore were the Keynote speakers.

### ***Competitions for Students***

Four types of events were organized under senior and junior category. Senior category dealt with Post Graduate and Under Graduate students, junior category included students from 10+2 level

***Quiz Competition*** : Major theme of Photonics, Light and Light Based Technologies

Topics covered: Theory of relativity, Lasers, Photochemistry, Spectroscopy, Light based Technologies, Economic Impact of Light based Technology

Participants in Junior Category: Total no. 20 from different schools of Ujjain

Participants in senior Category: Total no. 38 from different colleges affiliated to Vikram University Ujjain, Barkatullah University Bhopal and Gujrat.

***Power Point Preparation and Presentation*** : Theme- Applications of Lasers in Industry, Material Science, Bio Medical applications of Lasers and Light Based Technologies

Power point presentation was a team event where Institutes participated as team comprising of 02 students each. On the first day of Science Fest 90 minutes duration is given to the students for the preparation of power point. All the infrastructural needs for the competition which included high speed internet connection fully equipped high configuration computer systems and e library facility were provided to participants. Participants were instructed to save their presentations on the system and were allowed to take a copy back home for the preparation. Next day in the opening session students from junior and senior category presented their prepared power points. First, second and third prizes were declared as per the judgement.

Participants in Junior Category: Total no. 10 from different schools of Ujjain

Participants in senior Category: Total no. 26 from different colleges affiliated to Vikram University Ujjain, Barkatullah University Bhopal and Gujrat.

***Short film competition: Theme : Changing colors of Natural Light from dawn to dusk, Impact of Light on Physical objects.***

Individual event in senior category

Participants had to prepare a short film of 03 minutes duration from any of their device they prepared even with their mobile phones. The focus moved around Ujjain. The entries prepared between 10<sup>th</sup> of January and 25<sup>th</sup> of January were accepted for competition. The originality and authenticity of the entry was certified by the participant itself. First, second and third prizes were declared as per the judgement

The panel of Judges included noted artists and professors of Zoology and Chemistry from School of studies Vikram University Ujjain

Total entries received: 14 from different colleges of Ujjain

***Poster Competition: Theme: Lasers, Effects of Light, Light based Technologies, Dark Sky Awareness***

Individual event in senior category

Participants prepared posters on full drawing sheet .

Total no of participants 42 from different colleges.

Participation certificates are given to all participants, Where as participants securing winner as well as Runner up positions were bestowed with awards.

***National Consortium of academicians and scientists on “ From Photonics to Economic Impact of Light”***

Consortium attracted participants from different parts of M.P. and different states. Total of 189 participants (Faculty and research scholars) attended the consortium. Out of 173 communications received,92 could be presented and discussed in 4 parallel panel discussion sessions due to lack of time. Communications are received in the field of Spectroscopy, Photochemistry, Lasers, Biomedical and general applications of lasers, Lasers in nanotechnology , Impact of photonics and Light based technologies on society, Economic Impact of Light based technologies. Sessions were chaired by Dr. Shubha Jain Professor of Chemistry School of studies in Chemistry and Biochemistry, Dr. Uma Sharma Professor of Chemistry School of studies in Chemistry and Biochemistry ,Dr. B.K.Mehta Professor and Head of Chemistry School of studies in Chemistry and Biochemistry Vikram University Ujjain and Prof. B.S. Makkad principal Govt. Madhav Science Arts and Commerce College Ujjain.

***Lecture Series***

Lecture Series was inaugurated with key note addresses by Dr. B.N. Jagtap from BARC Mumbai and Dr. H.S .Patel from RRCAT Indore. The other eminent speakers were

Dr.B.N.Jagtap..Focused his address on the Introduction of Lasers and photonics and cited very interesting examples from literature also. He introduced audience with the innovative and latest research going on in the field of Lasers in India and across the globe.

Dr.H.S.Patel ..discussed the studies carried out by him and his team at RRCAT Indore on optical spectroscopy of the resected and in-vivo tissue sample for real time discrimination between normal and malignant sites.

Dr. Deepak Chopra.. Crystallography and Lasers Indian Institute of Science Education and Research Bhopal (IISER Bhopal)

Dr. Brijesh Pare ...Photo Chemical Reactions Govt. College Shujalpur affiliated to Vikram University Ujjain

Dr. Snjay Singh Parihar... Fluorescent molecules from Mehsana Univ. Gujarat

Dr. Neeraj Sharma....Effect of Lasers on Liposomes Nirma University Ahmedabad

Dr. Y.K. Mishra..... NMR Spectroscopy Govt. Science College Ratlam affiliated to Vikram University Ujjain

Dr. Kishore Arora.....Computational processes in Spectroscopy and in Chemistry, Govt. Science College Datia affiliated to Jiwaji University Gwalior.

Dr. S.K. Verma.....Photonics and reaction mechanism, Govt. College Sikar Rajasthan.

(HPLC TRAINING)

In the light of the National Skill development mission Govt. Madhav Science P.G.College Ujjain to organized a HPLC workshop for 15 days starting from 04<sup>th</sup> October to 18<sup>th</sup> October 2016. Total 125 students participated in 04groups Of strength 30,30, 32 and 33 students, each batch was given a schedule for 04 day. Workshop was organized in association with the MOU partner PGTECH institute Indore. Workshop not only imparted the skill but also created experts in the designated fields which can be symbiotic to both Industry as well as students. The workshop strengthened Industry Academia relationship. College plans to purchase HPLC equipment in the near future, but this workshop is being executed through state of theart equipment brought by the PGTECH from Indore.

## राष्ट्रीय युवा वैज्ञानिक संवाद

सन्दर्भ : विक्रमादित्य अमृत महोत्सव 2018

भारतवर्ष के हृदयस्थल मध्यप्रदेश का उज्जैन नगर प्राचीन काल से भारतीय कालगणना में समृद्ध रहा है और पृथ्वी पर भौगोलिक स्थिति में भी विश्व के केन्द्र के रूप में स्थित है। यहाँ राजा विक्रमादित्य और उनके नौ विधाओं के नौ रत्न से परिपूर्ण सुशासन का उत्कृष्ट, अनूठा और अद्भुत उदाहरण दुनिया के सामने विश्व के मार्गदर्शन स्वरूप रहा है। उज्जैन में कुछ वर्षों से निरंतर विक्रमोत्सव का आयोजन किया जा रहा है।

सम्राट विक्रमादित्य का नाम भारतीय अस्मिता का प्रतीक है। विदेशी शक आक्रान्ताओं को पराजित कर उन्होंने देश में सांस्कृतिक नवजागरण किया था और उस उपलब्धि के उपलक्ष्य में एक नया विक्रम संवत् प्रवर्तित किया था जो आज भी पूरे भारतीय उपमहाद्वीप में प्रचलित है। विक्रमादित्य सदा नये विचार और नये वैज्ञानिक दृष्टिकोण से अन्वेषण के लिए योग्य विद्वानों को प्रेरित करते थे।

तत्कृतं यन्न केनापि तद्दत्तं यन्न केनचित्।

तत्पाठितममाध्यं यद्विक्रमाकेण भूभुजा।।

(विक्रमादित्य ने वह किया जो किसी ने नहीं किया, वह दिया जो किसी ने नहीं दिया, वह साधा जो असाध्य था)

विक्रम संवत् 2075 "विरोधकृत" के अवसर पर पूरे वर्ष विक्रमादित्य अमृत महोत्सव का आयोजन हो रहा है। महोत्सव में व्याख्यानमाला, शैक्षणिक भ्रमण तथा युवा वैज्ञानिक संवाद का संकल्प किया गया है जो विक्रमादित्य और भारत की वैज्ञानिक मोच के नये क्षितिज को चिन्हित करेगा।

इसमें प्राचीन एवं आधुनिक काल में विज्ञान, प्रौद्योगिकी और जनहित के लिये इनकी उपयोगिता की विकास यात्रा को सम्मिलित किया जा रहा है।

युवा वैज्ञानिक संवाद में युवाओं, वैज्ञानिकों, प्राध्यापकों, शिक्षकों, शोधार्थियों को सम्मिलित होने का अवसर मिलेगा तथा वे प्राचीन और आधुनिक नवीनतम और सटीक ज्ञान-विज्ञान, कालगणना और नवीनतम प्रौद्योगिकी और गण्ड निर्माण हेतु उनके लिये उपलब्ध और भविष्य में सृजित होने वाले अवसरों की जानकारी प्राप्त कर सकेंगे।

#### Concept Note -

The Scenario world over has seen drastic changes as far as analytical instruments and techniques are concerned. Latest and most sophisticated instruments have brought about a complete reversal in the analytical techniques, no branch of science is untouched by this dynamism.

International and national Universities and Research laboratories have altered the research methods so as to achieve a Green Approach to issues of Carbon emission, water and energy consumption and atom economy. The tools have been provided by the companies as per these trends. Scientists, teachers, scholars and students have adapted to these changes and developed a new scientific temper.

Here in Madhav science College, we feel earnestly the need of introducing this aspect to our fellow academicians, research scholars and post graduate students. Therefore, its an honor & privilege to organize a two day seminar on Latest Trends in Analytical Instrumentations and Innovative Techniques.

Academic and Research collaborations of the college have provided this opportunity.

PG Tech Research Institute, Indore, is one of such partners which is a leading establishment and has been instrumental in our research activities.

#### About the College

##### Madhav Science PG College, DST-FIST College, Ujjain (NAAC Accredited)

This College was a part of the then Madhav College established in 1892 till it shifted to its present campus in 1969. The College has excelled in fields of Teaching- Learning-Research with social outreach as its primary objective.

In tune with the need of time State of Art teaching technologies are being incorporated to enable the staff and students to excel, thus giving best results in examination with Maximum number of merit positions in the University Merit list.

Latest courses have been offered to its 2000 plus students in B.Sc., M.Sc., Ph.D. and PG Diploma programs.

Research and innovation is the strength of the college, a large number of faculty working to generate sizeable and notable contributions in Scientific Journals with high impact factor. Many faculty members are engaged in reviewing for prestigious journals.

The college reaches to society in almost all walks of life as; environmental awareness, health and hygiene, blood donation and various other social outreach programs through its efficient NCC, NSS units.

#### Who can participate:

Faculty engaged in teaching and research at UG&PG level, research scholars and post graduate students in Physical, Life, Earth and Pharmaceutical Sciences.

#### Awards – Under Categories :-

- A – Best paper presentation (Open for all)
- B – Young Scientist Award (For research scholars below 35 yrs.)
- C – Youngest Scientist Award (PG & UG students)

Registration Fee -	Faculty –	Rs. 800/-
	Research Scholars	Rs. 500/-
	PG/UG students	Rs. 400/-

Accommodation – Outstation candidates can be provided with accommodations if their request is received at our end latest by March 10,2015. The extra amount payable will be conveyed depending on the kind of accommodation available on the requested date.

Key Dates - Last date for registration and submission of abstracts is March 10,2015.

Full length papers received after this date will not be published.

Aspiring participants can get themselves registered through personally approaching PG Deptt. of Chemistry, MVM Ujjain and Emails can also be sent for registration on

chemcon2015mvm@gmail.com,

Papers and Abstracts are invited through e-mails only, as per the instructions here under :

Fonts- Arial Narrow (Headings 14 pt. bold, Subheadings 12 pts. Bold, Body text 12 pt. normal)
