- 5th November 2020 : Introduction to NMR
- 6th November 2020 : 1D and 2D NMR basics and useful parameters
- 7th November 2020 : Applications mainly on peptide characterisation and structure determination.

Dr. S. Raghothama

Chief Research Scientist Retd.
IISC Bengaluru

https://www.researchgate.net/profile/S_Raghothama

Prof.K.Srinivasulu Chair is Instituted in the honour of Prof.K.Srinivasulu a rare academician who served the Fraternity of Chemistry across Globe, while based at Ujjain and working at School of Studies in Chemistry Vikram University, Ujjain.

In the world of our times, it is rare to be blessed with Personalities who leave a prominent impact with both their professional accomplishments and personal attributes. One such personality was Late Prof. Kotra Srinivasulu, who possessed a rare mix of high professional knowledge shared with humility, technologically savvy mind coupled with traditional and simple living, a natural mentoring role carried with compassion and a serious researcher with an uncanny sense of humor. Prof. Kotra Srinivasulu was such a towering personality with his professional and personal accomplishments, that he impacted not just his students, but equally or more to his peers, seniors and the scientific and university community at large.
