To,

Manufacturers and Exporters,
Electronic and Physics laboratory equipments,
India.

Sir,

Kindly send the quotation for the following Item and supply position also. Sealed and typed quotation should be received here latest by 01/11/2023. Quoted rates should be F.O.R. college inclusive of all charges. For technical specifications consult in Physics department between 12:00 pm to 4:00 pm during working days.

S.No.	Particulars
1	Boltzmann constant Kit (using semiconductor diode).
2	Plank's constant experimental set up.
3	Four probe method experimental set-up.
4	Find electronic charge using rectifier Kit.
5	Hall effect experimental set-up.
6	Hysteresis loop tracer.
7	Frank and Hertz experiment kit.
8	Scintillation counter experimental set-up.
9	Fourier analysis experiment kit.
10	timer applications IC 555 kit.
11	Operational amplifiers (IC 741) kit.
12	Inverting and non inverting operational amplifier (IC 741) kit.
13	Integrator amplifiers kit.
14	Charge on electron with help of spectrometer kit.

15	Breadboards	(Quantity – 5)
16	LED	(Quantity – 10)
17	IC 7400 (2- input)	(Quantity – 5)
18	IC 7402 (2- input)	(Quantity – 5)
19	IC 7404 (2- input)	(Quantity – 5)
20	IC 7408 (2- input)	(Quantity – 5)
21	IC 7432 (2- input)	(Quantity – 5)
22	IC 7486 (2- input)	(Quantity – 5)
23	IC 74266 (2- input)	(Quantity – 5)
24	Breadboard connection wires	(Quantity – 20)
25	Power supply (Charger) O/P 2-4 V, 2-4 A	(Quantity – 4)
